1. Minutes of 2018 meeting were approved
2. The President gave a report on an extremely successful year for the Society. The scratch team had reached the semi-finals of the Halford Hewitt and the final of the Queen Elizabeth Coronation Schools Trophy. We had a young, talented team and the prospects for the coming years were good. The Society was in good financial health and would invest to ensure that it was able to field high quality teams as that had a positive knock-on effect in encouraging involvement in the Society at all levels. A number of new fixtures were planned including a more active relationship with the Loretto Golf Academy. The President also made a presentation of a picture to the retiring Captain, Torquil McInroy, who had led the recent Halford Hewitt team and had made numerous appearances for the Hewitt team for over 35 years.
3. The accounts for the year to December 2018 were distributed and approved unanimously
4. The subscription level would continue unchanged: approved unanimously
5. Office bearers. The following were proposed and unanimously agreed.
Adam Wraight had taken over as Captain during the course of the year. The President has asked Torquil McInroy to remain on the Committee and he has agreed.
Duncan Arthur had kindly agreed to fill the vacancy of Secretary identified two years ago but has decided to step down. **Robert Rigg** was proposed as secretary in addition to his role as Southern Secretary. Duncan will transfer responsibilities during the course of the year. It was proposed that **Paddy Ledingham** would join the Committee to help Torquil and Hugo with organising events in Scotland.
6. AOB.
A new website was planned and members would be kept informed of progress.
